ABOUT PMMMNMTT AND MHRFDC

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasizes the need to change the role and task of a teacher from mere disseminator of information and knowledge to the one who advances frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena. Mahatma Hansraj Faculty Development Centre has been established under this scheme at Hansraj College with an objective to serve as one of the nodal points to conduct such programmes and workshops. These programmes provide opportunities to every academician/ teacher to upgrade their domain knowledge, become aware about latest developments taking place in their subject and allied areas and acquire new skills in development of educational content and delivery. These programmes help in capacity building of teachers and promote institutional effectiveness in delivering and developing educational programmes and curricula. The focus of some of these Faculty Development Programmes is also to provide support for research work and promote research in emerging issues in different fields of knowledge.

Zakir Husain Delhi College is one of the leading colleges of University of Delhi imparting higher education in Science, Commerce, Humanities and Social Sciences. The college holds the distinction of being in existence well before the existence of University of Delhi. It carries within itself a history of nearly 300 years as an institution of learning. The origin of Zakir Husain Delhi College dates back to the founding of a Madarsa by one of the Emperor Aurangzeb's Deccan commanders, Ghaziuddin Khan in the closing years of the seventeenth-century. In 1825, Delhi College was engrafted onto this institution by the British East India Company's government. The college was affiliated to Delhi University in 1925, and became one of its constituent degree colleges. Following the partition of India, the Delhi College was revived as a non-denominational institution in 1948 and was renamed Zakir Husain College after 1975 and managed by the Zakir Husain Memorial Trust under the Chairmanship of Prime Minister of India.

OBJECTIVES OF THE FACULTY DEVELOPMENT PROGRAMME

The year 2018-19 marks Mahatma Gandhi's 150th birth anniversary and preparations are in full swing to commemorate the legacy of Gandhi on a global scale. Gandhi epitomises the refinement and perfection that a person can attain. Rarely do we have persons who pursued truth in life as Gandhi in philosophy and action. Indeed humanity has gained much from his moral wisdom which was the basis of his action. His vision of truth and Non-violence, enduring commitment to social justice, normative economics, religious pluralism, and relentless striving for harmony between nature and human being have become excruciatingly important in the context of today. It is important to revisit some of the aforementioned ideas to understand him and his world view in the context of challenges that confronts us.

Gandhi has made significant contributions but has largely been misunderstood by both his supporters and opponents in India and outside. With this objective to deliberate upon Gandhi's legacy of Inclusiveness that underlines Gandhi's philosophy a Faculty Development Programme has been scheduled to be organized by Zakir Husain Delhi College in the month of September, 2019.
